Named Prizes Policy

Latymer Upper School holds an annual Prize Giving Ceremony to celebrate the academic and sporting achievements of pupils over the year.

Some of the prizes to be awarded are named after individuals with an association with the School or the discipline in which the prize is awarded. Generally, named prizes are only awarded as Upper Sixth Prizes or Special Prizes.

Approximately every 5 years, the School reviews the names of prizes given to students at the end of the year, and may choose to rename some of the prizes awarded. This means that whilst continuing to honour our values, the names of prizes can be recognisable to students and allows us to celebrate the ongoing achievements of those associated with Latymer.
